

Call for Sermon Outlines

Share your sermon outlines on prayer and missions with the African church!

The Acts in Africa Initiative is now producing a sequel to its two popular books, *Proclaiming Pentecost: 100 Sermon Outlines on the Power of the Holy Spirit* and *Proclaiming Christ to the Nations: 100 Sermon Outlines on Spirit-Empowered Mission*. Publication of the new book is slated for the winter of 2018. Its working title is ***Interceding for the Nations: 100 Sermon Outlines on Intercessory Prayer***.

It will contain 100 sermon outlines on the subject of missional prayer, that is, the role and practice of prayer in evangelizing the nations. As with the first two sermon outline books, AIA hopes to place a copy in the hands of every Assemblies of God pastor and Bible School student in Africa. We believe that this new sermon outline book will help to ignite the emerging missionary movement in the Africa Assemblies of God.

We invite you to be a part of this project by donating your sermons on prayer to the project.

How the book will be used

- It will be printed in several African languages and distributed widely throughout Africa.
- It will be available for free download from the Decade of Pentecost website.
You can download the two previous sermon outline books at our DecadeofPentecost.org website or by clicking on these links: [Proclaiming Pentecost link](#) / [Proclaiming Christ link](#).
- African pastors and leaders will use the sermons in the book to call their people to intercessory prayer for the nations in local, district, and national prayer events.

Guidelines for submitting outlines

- AIA is looking for simple, straightforward sermons on intercessory prayer and other kinds of missional prayer.
- Please submit your royalty free outlines by e-mail to ActsInAfrica@agmd.org. Alternatively, you can submit them in hard copy to AIA Publications, 580A Central Street, Springfield, MO, USA, 65803.

- Outlines will be edited for format and content to conform to the purpose of the book. All edits, however, will be returned to the original author for final approval before going to print.
